

## WELCOME

2023 celebrates our 20th birthday. We could not have done it without our dedicated clients. We love working with you and we are proud to be part of your extended team!

[Get in touch](#) if you want further information on any of the topics covered or go to [our website](#).

## CASE STUDY

HIMSS INFRAM is a great investment to understand your organisation's digital maturity, assess and map the technology infrastructure capabilities required to reach clinical and operational goals. Learn how we recently helped [Midlands Partnership NHS FT](#).

'HIMSS v DMA: A tale of developing digital maturity'

## BLOG

Both the DMA and HIMSS have their place in assessing and improving digital maturity. As the most experienced HIMSS Digital Health Technology Partner in the UK and Middle East, we have something to say about the two models...
